History & Culture

Pamukkale

It's neither ice nor salt. For thousands of years, rich calcium thermal springs have created bizarre lime cascades, huge stalactites and mineral baths. It is simply a *Perfect Work of Mother Nature...* and one of the most unique places in the world. It's good for your skin, hair, digestion and spiritual well-being.

Ephesus

The ancient Roman city of Ephesus is truly fascinating. You will be amazed at its sheer size. It is the most intact ancient city on the earth; shedding light onto the mysteries of the past.

Pamukkale

Combine the two tours of Pamukkale and Ephesus into one. An unforgettable two day tour with an overnight hotel stay included.
